TV ARCADE CLASSIC GAMES

A groundbreaking, uber-popular game upon its arcade debut in 1987, **Double Dragon** is the undisputed godfather of co-op beat 'em all! The story begins with Billy and his brother Jimmy, two martial arts experts, in a mission to rescue Billy's girlfriend, Marian, who's been kidnapped by the Black Shadows Gang. All your favorite moves are here: punches, kicks, elbows, knees, head-butts and an assortment of not-exactly-street-legal weapons.
